A Declaration of Unity

This we owe to AA’s future:
To place our common welfare first;
To keep our Fellowship united.
For on A.A. unity depend our lives,
And the lives of those to come

Responsibility Pledge

I Am Responsible…
When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that, I am responsible.

THE A.A. PREAMBLE

Alcoholics Anonymous® is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

AA’s Legacy of Service by Bill W.

Our Twelfth Step - carrying the message - is the basic service that the AA Fellowship gives; this is our principle aim and the main reason for our existence. Therefore, AA is more than a set of principles; it is a society for alcoholics in action. We must carry the message, else we ourselves can wither and those who haven’t been given the truth may die.

Hence, an AA service is anything whatever that helps us reach a fellow sufferer—ranging all the way from the Twelfth Step itself to a ten-cent phone call and a cup of coffee, and to AA’s General Service Office for national and international action. The sum total of all these services is our Third Legacy of Service.

Services include meeting places, hospital cooperation, and intergroup offices; they mean pamphlets, books, and good publicity of almost every description. They call for committees, delegates, trustees, and conferences. And, not to be forgotten, they need voluntary money contributions from within the Fellowship.

Purpose of Area 54 Northeast Ohio General Service

Area 54 Northeast Ohio General Service Assembly of Alcoholics Anonymous shall always be a service body of trusted servants elected by the AA groups of Area 54, and shall respect the autonomy of AA Groups within Area 54.

In the course of its deliberations and discussions, the Area Assembly shall be mindful of the ideals expressed in the Twelve Traditions, Twelve Concepts, and the AA Service Manual. The Area Assembly shall encourage all AA Groups within its geographic boundaries to participate in and support its efforts to be the true voice and group conscience of Northeast Ohio AA.

The Area Assembly is primarily responsible for electing and preparing a delegate to attend the annual General Service Conference and to provide adequate financial support to assist the delegate in carrying out the responsibilities of this service position. The Area Assembly also elects an alternate delegate and other officers, and provides adequate financial support to conduct the service responsibilities associated with these service positions.

Operating Principles of Area 54 Northeast Ohio General Service

In keeping with the general warranties of the Conference described in the Twelfth Concept for World Service:

In all of its proceedings, the Area 54 Northeast Ohio General Service Assembly shall observe the spirit of the A.A. Traditions, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.
**Legacy of Service in Area 54 Northeast Ohio**

Alcoholics Anonymous was founded in Akron, Ohio in 1935 when Bill Wilson reached out his hand to help another suffering alcoholic. After several failed attempts, Bill and Dr. Bob helped Bill Dotson achieve lasting sobriety June 28, 1935. The “man on the bed meeting” is described in the chapter, “A Vision for You” in the book *Alcoholics Anonymous*. Bill Dotson’s story “Alcoholics Anonymous Number Three” was published in the Second Edition¹ of *Alcoholics Anonymous*. Bill Dotson represented northern Ohio at the first General Service Conference in 1951. Ethel Macy, also from Akron, served as the second delegate in 1953. Her story, *From Farm to City*, was published in the Second Edition² of *Alcoholics Anonymous*.

Area 54 is one of 93 delegate Areas in the US and Canada. Between 1951 and 1957, Ohio was represented by two delegates from the northern and southern portions of the state. The delegates representing northern Ohio included:

Area 54 Northeast Ohio General Service Area Guidelines
**Structure of NE Ohio General Service**

The basic unit of the AA structure is the group. A group and its neighboring groups form the next larger unit, the district. GSRs attend district meetings and elect a District Committee Member (DCM). The DCM conducts district meetings and represents the district as a voting member at the Area Assembly and the Area Committee.

The districts form the next larger unit, the Area. There are 65 districts in Area 54 Northeast Ohio General Service. Area 54 is one of the four delegate Areas in Ohio, and one of the 93 delegate Areas in the United States and Canada.

Area 54 is part of the East Central Region, one of eight regions that make up the United States and Canada. The East Central Region includes fourteen delegate Areas in Ohio, Michigan, Indiana, Illinois and Wisconsin.

**Area 54 Finances**

It is the primary responsibility of the Area to prepare and send a delegate to the General Service Conference. Many other secondary functions have grown from this objective. The service activities of the Area are supported by voluntary contributions from groups within the Area. Without the support of the groups, vital daily activities of the Area would stop.

With the assistance of other Area officers and past delegates, the delegate prepares the Area 54 annual budget to be presented for discussion, modification and approval at the January Area Assembly. If possible, the budget should be completed in time to include in the December mailing so groups have the opportunity to review prior to the January Assembly. The budget includes the expenses associated with preparing the delegate for the Conference, as well as the secondary functions of the Area.

Some guidance on the budget that has been adopted by the Area Assembly includes:

- At the beginning of each odd year, a Reserve Fund amount equal to 6 months operating expenses based on the actual operating expenses of the previous two years is calculated; this represents sufficient operating expense and a reserve fund that was adopted by the Area Assembly September 2006
- The income portion of the annual budget should be calculated by taking an average of the past three years.

3 Expenses exclusive of donation to GSO, raffled Mini-Conference or State Convention packages, and other easily discarded payments.
• The inventory/petty cash balance ceiling of Literature Committee is $2,000
• The inventory/petty cash balance ceiling of Grapevine Committee is $2,000
• The Mini-Conference operating fund is maintained in an account separate from the Area treasury and is limited to $1,500. Excess over this should be transferred to the Area treasury after all Mini-Conference expenses have been paid.
• Past delegates receive $150 to defray costs to attend East Central Region Conference of Delegates Past and Present, so long as they are active participants in 75% (¾) of Area Assemblies in the prior year (adopted September 2001).
• When possible, Area 54 financially supports past delegates who served in Area 54 and are currently serving as non-trustee East Central Region officers. (adopted Jan. 2008)
• Area Standing Committees receive a total combined budget that has varied from $1,400 to $2,400 to defray expenses. Any additional expenses must be brought before the Area Assembly for approval. [Note: the Area Assembly approves a total combined amount for all standing committees. The Area treasurer should ensure that no committee greatly exceeds an equal division of the budget between all standing committees.]
• Standing Committee Chairs receive $100 annually to defray costs when they attend the Area 54 Mini-Conference (adopted 1999, amended 2010)
• The Grapevine Committee Chair registration to Founders’ Day Weekend is reimbursed
• The host district for the Area Open House picnic and Gratitude Sunday are seeded $300 annually; there is no strict requirement to repay the Area
• Traditionally, the Area budget has reimbursed the delegate mileage expense. In 2007, the Area budget was expanded to include reimbursement for all Area officer mileage expenses based on estimated needs. For example, the treasurer must travel to the Post Office box to check the contents regularly. The Area Assembly approved the budget, but advised when funds are scarce this could be reduced or eliminated.
• By 2015, GSO requests that each delegate area contributes at least $1,800 to help defray the total cost of the General Service Conference. Some areas cannot afford that much; others contribute the full cost, which was about $8,000 in 2018.
• The Ohio State Convention guidelines specify each Ohio delegate Area support the hospitality committee with a contribution of $200. For Area 54, this amount has typically been increased to $250 in years Area 54 is hosting the event.
• The Area financially supports the delegate expense to the AA International Convention every five years, including registration, housing, meals, and travel. From time to time, the Area had contributed to the East Central Region hospitality committee for the International AA Convention.
• The Area uses a two-signature checking account, with at least three Area officers as signatories. It is recommended that ATM cards be used for deposits only. Bank/Debit Card may be used for Area Expenses.

The Area Committee

The Area Committee is responsible for health of the Conference structure and for growth and harmony within the A.A. Fellowship. The Area Committee is composed of DCMs, the standing committee chairs, the delegate and Area officers, and past delegates. Each Area committee member is entitled to one vote, no matter how many general service positions they hold. Alternates may vote only if the regular DCM or committee chair is not present. There is no absentee or proxy voting.
Area Committee Meetings have been combined into the Area Assembly. (Adopted January, 2012) At the Assembly, the Area Committee reports on service work in districts and standing committees. The Area Committee addresses local issues affecting the Area and discusses efforts to carry the message throughout NE Ohio. A typical Area Committee meeting agenda follows:

**The Area Assembly**

The Area Assembly is the business meeting of Area 54. At the Assembly, a variety of issues are addressed at the Assembly, including General Service Conference business, Area problems, financial matters, and election of the delegate and officers. The Area Assembly is composed of GSRs, Intergroup/Central Office Liaisons, and the Area Committee. Each Assembly member is entitled to one vote, no matter how many general service positions they hold. Alternates may vote only if the regular GSR or DCM is not present.

Area 54 holds six assemblies per year, in January, March, April, July, September, and October. Area business includes adoption of the annual budget in January, selection of the host district for the Open House Picnic, and Gratitude Sunday Dinner, redistricting, and the election of the delegate and Area officers, which is described in the next section. From time to time, requests from local A.A. members are addressed at the Area Assembly prior to their transmittal to GSO.

Non-election assemblies use the following agenda:

- At the entrance, sign-in on sheets (for attendance) available, along with copies of the agenda, previous Area Assembly minutes, current treasurer report, contribution reports, Parliamentary Procedure guidelines, and other materials.
- All attendees should take time to review the minutes and submit corrections to the recording secretary prior to the start of the meeting.
- The assembly is chaired by the Area Chair, who opens the meeting with a moment of silence, the Serenity Prayer, readings of the Twelve Traditions and Twelve Concepts, and two-minute presentations on a Tradition and a Concept.
- The chair recognizes request for cards.
- Officer reports:
  - Recording secretary reviews minutes of the previous assembly and takes correction of the previous assembly and reminds everyone of 2-minute time limits on comments in the spirit of the Conference.
  - Area chair entertains a motion to accept the minutes.
  - Treasurer reviews the current budget report, group contribution reports, and other financial issues.
  - Area chair entertains a motion to accept the current budget report.
  - Recognition of sobriety anniversaries; pass out Birthday Plan envelopes.
  - Mailing secretary reviewing recent mailing contents, mailing deadlines reminders, and encourages submission of articles to the NE Ohio Recorder.
  - Registrar reviews group update procedure and other announcements.
- The 7th Tradition passing of the basket.
  - Area Committee reports (2-minute time limit; written report given to secretary)
  - Standing Committee Chair reports (January, April, July, September)
  - DCM reports (January, March, July, October)
  - Ad hoc Committee reports (may require extended time period)
  - Intergroup liaisons’ reports (January, March, July, October)
- Note: In an election year, Standing Committee, DCM, and Intergroup Liaison reports will all be given in September
- Self-introduction of new GSRs and DCMs (an introductory meeting is held immediately following the assembly to acquaint new GSRs and DCMs with officers and materials).
- Area Event and Conference reports.
  - Officers report give post-conferences reports.
  - Assigned chairs give pre- and post-workshop reports (e.g. Unity Day and workshops)
  - Host districts giving pre- and post-Area event reports (e.g. Open House and Gratitude Sunday).
- Alternate Delegate Report.
- Delegate Report including AAWS and AAGv highlights.
- Old business – any open issues that have been tabled or unfinished.
- New business – items are placed on the agenda by Area Committee prior to Assembly. Floor actions are accepted.
- What’s on your mind sharing session.
- Chair entertains a motion to adjourn and the meeting is closed in prayer and/or Unity or Responsibility Declarations.

**Intergroup/Central Office Liaison**

The Intergroup/Central Office liaison is a special designation in Area 54. Under the Conference service structure, representation provided for Intergroups or Central Offices at the Area Assembly is left to area autonomy. To build cooperation and share ideas between these service entities, Area 54 recognizes one person from each Intergroup or Central Office as a voting member of the Area Assembly with the full privileges of a GSR. Intergroups and Central Offices are encouraged to send a representative to the Area Assembly. They are also given an opportunity to give oral reports at the Area Assemblies in January, March, July and October (September in an election year).

**Hispanic Liaison**

The Hispanic Liaison assignment was created by the delegate, Panel 63 (2013) to serve the Spanish-speaking A.A. groups, furthering communication with the Hispanic A.A. world, and to provide services to the Hispanic A.A. Community for Area 54. This nonrotating appointed special committee member also coordinates and reviews with our area standing committees for opportunities to be of service to the Area 54 Spanish Linguistic District.

**OYPAA Liaison**

The Ohio Young People of AA Liaison creates a direct communication between OYPAA and the Area 54 General Service Panel Officers, the Area Chairs and the NEOH AA fellowship. This assists in coordination of event dates and provides Area support of OYPAA programs. It serves as a means of introducing young people in AA to the many functions of General Service. By integrating YPAA events into Area service, the area can encourage and nurture future area trusted servants.

**Ad hoc Committees**

Different from standing committees, ad hoc committees are advisory committee created by the Area Committee or Area Assembly to examine specific issues or perform specific tasks. In the past, ad hoc committees have been formed to address the GSR Fact File, Area Guidelines, dark districts, district boundaries, redistricting, and other issues.
Ad hoc committees exist only for the period of time in which they are examining the issue for which they were created, but for not more than one year in total duration. Ad hoc committees are information-gathering groups that present their findings to the Area in the form of recommendations, but they themselves do not take actions. These recommendations must be considered by the Area Committee or Area Assembly prior to any action being taken.

Ad hoc committees are generally composed of appointed or volunteer members of the Area Committee. Ad hoc committees do not have permanent standing and generally do not have budgeted funds. The Chair of an ad hoc committee can be chosen by the members of the committee, or alternately appointed by the Area Chair.

**Area 54 Equipment / Floor Manager**

Over time, the Area has acquired some equipment used to carry out its service functions. These include coffee pots, DVD players, audio sound system, projector and screen, microphones, and digital recorder. In addition, the Area owns laptops for the delegate, treasurer, recording secretary and registrar. Equipment that has outlived it useful life is discarded or donated to other service entities.

The delegate has created an appointed position of Floor Manager. The Floor Manager assists the Area Committee by ensuring that equipment is available. The Floor Manager sets up and tears down and stores the equipment. The Floor Manager is responsible to see that the equipment is in working order. If the equipment needs replacing or repair, notifies the Delegate or Alternate Delegate to resolve the issue. The equipment may be stored in the Area Storage room at the Akron Intergroup office. The equipment is to be used at Area functions, including but not limited to Assemblies, Workshops and the Mini-Conference. (See “Mini-Conference Guidelines” for details.) The position has proven to be an invaluable service to the Area Committee.

The Floor Manager sees that the Chair has a list of all the equipment (inventory) yearly.

**The Election Assembly**

The Election Assembly is held in October of even years, in order to elect the delegate and officers who begin their two-year term the following January. The Area 54 delegate serves on GSO odd-year panels. All registered GSRs and Area Committee members are voting members. Alternates may vote only if the regular GSR or DCM is not present. There is no absentee or proxy voting. The election is conducted as follows:

- After approving the minutes and current budget report, the Area Chair entertains a motion to dismiss normal business and move to the election.
- The Area Chair turns the meeting over to the seated delegate, who will chair the election assembly (the election can be chaired by a past delegate in the absence of the delegate).
- The delegate chair reviews the election procedures, clarifying voting eligibility, election qualifications, identifies all eligible candidates in attendance, and determines the quorum.
- The delegate chair appoints non-voting tellers and counters.

---

4 Panel 1 delegates met first in 1951. Thus add 1950 to the panel number of a delegate to get their starting year. Our panel 51 delegate went to the 2001 and 2002 General Service Conferences.
The Third Legacy Procedure described in the AA Service Manual on S21-23 is used to elect the delegate and officers.

- A description of the responsibilities of the delegate (or other officer) are read and the outgoing officer comments on important duties and observations, stressing the time requirements and commitment to perform the duties.
- All eligible candidates (that have not already been elected this day) are asked to stand, and anyone not interested in standing for the office are asked to take a seat. If no eligible candidate wishes to stand for a particular office, nominations from the floor are accepted.
- Candidates are given two-minutes at the microphone to share their qualifications. (Note: candidates who have already spoken for a prior position do not speak again.)
- Balloting is done by secret ballot, with the ballots read aloud to the election assembly and posted for the assembly to review.
- The election procedure is repeated for each office, beginning with the delegate, followed by the alternate delegate, the Area chair, treasurer, recording, and mailing secretary, by describing the duties, having the outgoing officer comment on the duties of the service position, and asking eligible candidates to stand.
- Every four years, the election assembly is also used to select a candidate for the East Central Region trustee and trustee-at-large US; this election is usually conducted before the election of the delegate.

**Third Legacy Procedure**

Third Legacy Procedure is a special electoral procedure used to elect trustees, delegates, and other Area officer. It is described in detail in Chapter 1 of the *AA Service Manual*

- Secret ballots are cast by the voting members for eligible candidates until the first person gets at least two-thirds (66.6%) of the vote.
- If no candidate is elected after two ballots, all candidates with less than 1/5 of the vote are withdrawn, leaving top candidates and runner-up.
- If after a third ballot no candidate has achieved two-thirds of the vote, candidates with less than 1/3 of the total vote are withdrawn, leaving top candidates and all runners-up.
- If after the fourth ballot no candidate has achieved two-thirds of the vote, the candidate with the lowest total is automatically withdrawn, except the top two candidates remain. In the case of ties for second place, the top candidate and all tied second-place candidates remain. The chair entertains a motion to conduct a fifth and final ballot.
  - If the motion to conduct a fifth ballot is defeated, all remaining candidates are put in the hat, the first name drawn is the delegate (or other officer).
  - If the motion to conduct a fifth ballot passes by a simple majority, a fifth ballot is conducted.
  - If no candidate has achieved two-thirds of the vote after the fifth ballot, all remaining candidates are put in the hat, the first name drawn is the delegate (or other officer).
Eligibility to Stand for Area Delegate or Area Officer

Area 54 holds elections at the Election Assembly in October of even years with terms beginning the following January. Eligibility requirements include:

- Must be an Area Committee member, which includes Area officers, DCMs, past DCMs, and standing committee chairs.
- Must have attended 75% (3/4) of Area Assemblies and Area Committee Meetings for the two-year period prior to the election. Attendance records are maintained by the recording secretary and are reviewed prior to the Election Assembly for discrepancies.
- Must have at least five years continuous sobriety.
- Must be present at the Election Assembly to stand.
- Area officers do not stand for an office they currently hold, unless they were appointed or elected to fill a vacated position, then they can stand for a full term by election.
- If a delegate filled a vacant seat, the General Service Conference permits election to their own full term only if they have attended one General Service Conference; a delegate that has filled a vacancy and attended two Conferences cannot stand for reelection (see page S49 of the AA Service Manual).
- Past delegates do not stand for any Area office.
Removal of the Delegate and Area Officers

Under Concept XII, no Conference action shall be personally punitive. In light of our Traditions and Concepts, we urge that all differences be resolved amicably. However, on page S113 of the AA Service Manual, we find that a trustee to the General Service Board can be removed by a 75% (3/4) vote of the Board, if they agree it is best for AA as a whole.

If the Area officers have exhausted their efforts to resolve differences and agree that the delegate or another Area officer should be removed for the good of the Area as a whole, removal must be approved by a 75% (3/4) vote of the Area Assembly by a secret ballot in a vote conducted by a past delegate. If the delegate is removed, the alternate delegate will assume the office vacated and the Area Assembly shall conduct an election to replace the alternate delegate. For any other area office, the Alternate for that office will assume the office vacated and the position of the Alternate will be filled either by an election of the Area Assembly or by an appointment of the delegate.

Vacancy of an Area Officer

In the event that any area office becomes vacant either temporarily or long-term, the alternate will assume the duties and responsibilities of that area office. The Alternate will work closely with the “officer elect” so they are fully prepared to carry out those duties. If the Alternate is unavailable and the vacancy would create a disruption of the function of the Area, the delegate may appoint an interim officer to serve until the next schedule Area Assembly when the office will be filled by the assembly body.

The Spirit of Rotation

Traditionally, rotation of service positions keeps AA members from becoming frozen in office. It also ensures that group tasks, like nearly everything else in AA, are passed around for all to share. Rotation insures that fresh ideas are brought to the task, and helps to bring us spiritual rewards more enduring than fame. In the spirit of Tradition Twelve, it ever reminds us “to place principles before personalities.” Terms are usually two years, but can be any length the Area Committee designates. Before you rotate out of any Area office, be sure to help train your replacement.

Area 54 Officers and Alternate Officers

All Area officers are called upon to commit a great deal of time and work in the performance of their duties. Often times, the work is greater than the appreciation expressed.

Area 54 officers are voting representatives of the Area Committee and Assembly. They are elected by the Area Assembly for two-year terms corresponding to odd-panel years. Area 54 has eleven standing committees, each designed to fulfill specialized needs of A.A. members, or to reach the still suffering alcoholic. Some of the committees assist the professional community by educating and providing useful information on what A.A. can and cannot to help, within the Twelve Traditions.

Chairpersons of the standing committees are appointed by the delegate for two-year terms concurrent with the delegate. Each chair has an Area officer liaison that can help them in their work. Chairs are encouraged to add additional members to their committees. All Area Chairs have similar duties, including:
• Attend all Area Assembly meetings and make an oral report in January, April, July and September.
• Submit regular written reports to the NE Ohio Recorder.
• Attend all Area Assembly meetings, workshops, and other events.
• Attend the Area 54 Mini-Conference,
  o Provides a display of the committee work.
  o Chairs a conference committee meeting to discuss agenda items.

The Archives committee prepares displays for the NE Ohio Mini-Conference and other functions as requested by the Delegate. Maintains contact with the Area Archivist. A member will attend the National Archives Workshop when the Area budget approves such expenditure.

The Area Archivist is a separately appointed position. Because of the specialized nature of archives, the Archivist has not followed the traditional two-year rotation observed by all other Area service positions.

Corrections

The Corrections committee encourages AA members to assume responsibility for carrying the message to alcoholics behind the walls through face-to-face or written contact, and clarifies to correctional professionals what A.A. can and cannot do, within the Twelve Traditions, to help inmate alcoholics. The committee encourages the work of individual members, groups, and districts and creates Area-wide contact lists to forward requests forwarded to the Area committee by GSO and other delegate Areas.

The Correctional Facilities Workbook available from GSO provides information about how to run successful meetings in correctional facilities and how to establish positive relations with correctional facilities administrators and staff.

Cooperation with the Professional Community

Cooperates with professionals who may be first to contact active alcoholics. This includes educators, clergy, physicians, therapists, employers, the courts, law enforcement, and others. Provides information about what A.A. can and cannot do, within the Twelve Traditions, in providing cooperation without affiliation. The committee may participate in community activities to provide information to the public about AA. Workbooks and pamphlets are available to assist the committee.

Finance

The Finance Committee is responsible for promoting AA’s 7th Tradition of self-support to individual members, groups, and districts within the Area by educating GSRs & DCMs. The committee also provides fiscal oversight of the Area’s financial budget and assists the Assembly in making sound financial decisions, such as maintaining a reasonable prudent reserve. The committee makes presentations at the Area 54 NE Ohio Mini-Conference and prepares finance letters urging self-support that are included in each Area mailing to all registered groups.

Grapevine

Maintains an inventory of Grapevine materials and provides these items for sale at the Area Assembly and other functions as requested by the Delegate. The Grapevine Committee has traditionally prepared a Grapevine display, sold Grapevine material, and provided subscription
forms on Saturday of the Founders' Day weekend celebration each June in Akron, Ohio. The Chair should contact the Founders' Day Committee to determine where the display will be located prior to the weekend.

The Grapevine Committee familiarizes AA members with the AA Grapevine, Our Meeting in Print, and encourages members to subscribe and to contribute articles. Maintains contact with group GvR’s.

**Group Services**

Group services committee acts as liaison between Area 54 General Service and Intergroup & Central Offices to foster cooperation. Group services assists new GSRs at the Area Assembly meetings by providing a post-meeting orientation and providing new GSRs kits, including the Area Guidelines, group change forms, and the *AA Service Manual*. In 2009, Group Services implemented a ‘GSR School’ program and DCM (“College”) workshop to enhance the understanding of General Service at the area level. Group services will also assist the Area Chair with dark and inactive districts.

**Literature**

The Area Literature Chair maintains the Area’s stock of Conference approved books and pamphlets. Materials should be ordered from the General Service Office, and should be made available for sale at the Area Assembly and other functions as requested by the Delegate. An accurate inventory and ledger of sales should be maintained. Other Committee Chairs, especially Group Services, rely on the Literature Chair to order material for various workshops and other purposes. Ohio sales tax policies limit non-profit organizations that do not collect sales tax to six sales days per year. The committee should maintain an adequate supply of all conference approved literature, especially A.A. Service Manuals and literature needed for new GSR kits.

“Experience indicates that a thorough knowledge of A.A. literature is a good way to assure that our primary purpose remains the focus for successful A.A. groups and members. You can be a part of the solution by emphasizing our books, pamphlets, audiovisual and service material. Some areas hold workshops to help local groups and district chairpersons learn about where A.A. literature comes from and the Conference process.”

**Newsletter**

The newsletter editor gathers reports from the Area Committee, including DCMs, Area officers, standing committee chairs, and others to prepare the publishing of the NE Ohio Recorder, Area 54’s quarterly newsletter. The editor delivers the newsletter to the mailing secretary in a timely fashion for printing and mailing to AA groups.

**Public Information**

The Public Information committee is responsible for creating greater understanding of, and preventing misunderstandings of, the AA program through the public media, electronic media, PI Meetings, and speaking to community groups. The committee may participate in community activities to provide information to the public about AA. The committee also handles media
requests, such as television and radio appearances, keeping in mind AA’s Twelve Traditions, most especially the tradition of anonymity at the level of press, radio, television, and film.

On request, the committee provides speakers and information about AA to organizations such as schools or civic groups. Workbooks and pamphlets are available to assist the committee. Membership is open to any AA member, though a solid understanding of AA and the Traditions is necessary to convey to the public what AA is and what it is not.

Responds as requested to anonymity breaks with a polite, but firm, note emphasizing that we "need always maintain personal anonymity" at the general public level.

Area 54 maintains an Internet Web site and this is a subcommittee of the PI Committee. The Web site is fully described in the Area Publications section of these guidelines.

**Registrar**

The Area Registrar is the liaison between the Area and the General Service Office (GSO) for communicating information about new groups and changes to existing groups. Each January, the registrar will provide group information sheets or district listings to DCMs for updating AA directories. The registrar provides new group, group change, and DCM change forms at Area events. It is recommended that the registrar keep a master list of group service ids, district boundaries, and district maps on hand for quick referencing. Provides updated mailing lists as requested.

**Special Needs**

The Special Needs committee ensures that local groups recognize the needs of those with special needs, such as hearing impaired, sight impaired, physical handicap and other needs. The committee raises awareness of materials available to those with specials needs, such as Braille literature, sign language video, etc. In the past, efforts have been made to ensure that meetings are provided to shut-ins.

**Treatment Facilities**

Coordinates work of individual members, groups, and districts that carry the message to alcoholics in treatment facilities, sets up means of bridging the gap from treatment to AA, and works to clarify what AA can and cannot do, within the Twelve Traditions, to help alcoholics in treatment. The committee works to build Area-wide contact lists to forward requests forwarded to the Area committee by GSO and other delegate Areas. The Treatment Facilities Workbook available from GSO provides information about how to run meetings in treatment facilities, establish positive relations with treatment facilities administrators and staff, and develop a Bridging the Gap Program.

Area 54 Publications

Area 54 has several publications that highlight its General Service experience, including the Area 54 GSR Fact File, GSR School Workbook, NE Ohio Recorder and the Area 54 Web site,

Area 54 GSR Fact File

The Area 54 GSR Fact File was created by the Area officers in 1998 as an aid to GSRs in navigating Area 54 General Services organizing many documents into a single document. The GSR Fact File included sections explaining what a GSR does, service sponsorship, where to get help, structure of the Conference, how the AA group fit into the service structure, a glossary of terms, district map and boundaries, and the structure of Area 54 General Services.

In 2004, the GSR Fact File format was modified and the document was enhanced to include more Area-specific guidelines. It was adopted as “A Guideline for Area 54 Northeast Ohio General Service.” In 2010, the Area Assembly officially retired the GSR Fact File, replacing it with Area 54 Guidelines, Mini Conference Guidelines, and a GSR School Workbook.

NE Ohio Area 54 General Service Guidelines

This document was adopted as the Area 54 Guidelines in July, 2010 and revised March 18, 2012.

GSR School Workbook

In 2009, an ad hoc committee began work on preparing a GSR School Workbook. The purpose of the workbook is help new GSRs become comfortable with and effective in service work, share ideas and experience with others, and learn how to:

- Keep group information up to date.
- Give reports at the home group and Area assemblies.
- Participate at district meetings and Area assemblies.
- Who to contact for answers to any service question.
- Use AA literature as an effective tool.
- Share suggestions and concerns at the home group & service meetings.

The workbook introduces the new GSR to several AA publications, including the pamphlets G.S.R. (P-19) and The A.A. Group – Where it all Begins (P-16), as well as The A.A. Service Manual (BM-31).

NE Ohio Recorder
The NE Ohio Recorder is the quarterly newsletter of Area 54 General Service and is published by the Newsletter Committee, a standing committee of Area 54 General Service. The NE Ohio Recorder was first published in January 1987. The volume number is associated with the delegate panel, meaning the volume number changes every odd numbered year and each volume will have eight issues published. Panel 61 corresponds to Vol. XXII. Panel 63 will be Vol. XXIII, and so on. It is mailed to registered groups and Area Committee members and has been made available as an electronic version since mid-2006.

In 2008, the Area Committee officially decided that all last names be omitted to preserve anonymity. Anonymity protected back issues of the NE Ohio Recorder are available on Area54.org from 2005 onward.

Each issue will afford the seated delegate adequate space for comment on the first page of the Recorder. The issue immediately following the NE OH Mini-Conference (MC) will contain the results of the voting session of the MC. The last issue of each panel will contain the election results of the Third Legacy election of delegate and area officers.

Area 54 Web site

The Area 54 Web site was approved by the Area Assembly May 18, 1997 and is maintained through the volunteer efforts of Area Committee members. The majority of the work to prepare the Area for its first website was done by a committee chaired by Gerard P. of Bay Village, Ohio. On May 28, 1997, the domain name http://www.aaneoh.org was registered to Area 54 and has since been retired. In June 2003, the domain name http://www.area54.org was also registered, because many delegate Areas had begun using similar domain names for their Area websites. Although it was originally intended to be static with infrequent changes, the website is updated regularly to insure the information is timely and relevant.

The Area Web site is a subcommittee of the Public Information Committee, in line with the April 1997 General Service Pl conference action where AA now includes electronic media as another means of carrying the AA message. To adhere to our Tradition of personal anonymity, last names of AA members are not used. Generic e-mail addresses that use e-mail forwarding were established in 2004 to eliminate the need to update them regularly and reduce potential anonymity issues.

The Area Web site has three focus areas, including a public information tool for non-members, a Twelfth Step tool for potential members, and a service tool for General Service workers. As a public information tool, the visitor can get a general idea of Alcoholics Anonymous and learn how to contact local and national AA entities. As a Twelfth Step tool, potential members can get links to AA meetings through NE Ohio and find telephone and email contact number for Intergroup and central offices in NE Ohio. As a service tool, service workers can find all Area publications, schedules, flyers, and forms.

The Area Web site also provides a page for any District or group of Districts to post minutes, flyers, and news.

In 2009, Twitter® and Really Simple Syndication (RSS) web feeds were added as a means of notifying members of updates to the Web site.
Area 54 Participation in Ohio and East Central Region Events

Area 54 is a planning partner in several East Central Region events and the Ohio State Convention. Area 54 hosts these events on a rotating basis.

Ohio State Convention of Alcoholics Anonymous

The Ohio State Convention of Alcoholics Anonymous is an open, annual service convention hosted on a rotating schedule by one of four Ohio General Service Areas:

- Area 53 - Central and Southeast Ohio
- Area 54 - Northeast Ohio
- Area 55 - Northwest Ohio
- Area 56 - Southwest Ohio

The purpose of the Ohio State Convention is to carry the spirit of the General Service Conference to the districts and groups in Ohio. This is accomplished by fostering cooperation among the four Ohio Areas, highlighting and celebrating the General Service activities of Alcoholics Anonymous in these areas, and through sharing experience on AA’s legacies of Unity, Service, and Recovery. The goal of the convention is to support and strengthen the General Service Conference structure in Ohio, helping us to stay sober to help other alcoholics achieve sobriety.

Each delegate Area officers and past delegate are voting members of the Ohio State Planning committee, which meets in May and November every year. The Ohio State Planning meetings are hosted by Area 53 in Columbus, Ohio. The host Area is responsible for sending reminder postcards to all planning committee members in advance of the meeting. The planning committee meets informally on Sunday morning at the convention to review the event and make suggestions.

Area 54 hosts the convention every four years. Area 54 has hosted the Ohio State Convention fourteen times since 1960. When Area 54 hosts the convention, the seated delegate is the Chair of the convention, the Area treasurer is the treasurer of the convention, and the Area recording secretary is the corresponding secretary of the convention. The duties and responsibilities for the convention are described in the Ohio State Convention Planning Guidelines.

The East Central Region Convention

The East Central Region Convention is intended to provide a conference sharing experience on the three legacies of Recovery, Unity, and Service for members of Alcoholics Anonymous throughout the East Central Region. The convention rotates among the five states in the East Central Region and it attached to the statewide convention. The convention includes three panel meetings on the three legacies, Recovery, Unity and Service. Panel members are invited from each of the fourteen delegate Areas. The convention is opened Friday evening with a flag ceremony where each state enters with its state flag carried by one of the seated delegates. Guidelines for the East Central Region Convention can be found in Section III of the East Central Region Handbook.
All fourteen delegate Areas in the East Central Region rotate hosting the East Central Regional Convention. The East Central Region Convention is not held in A.A. International Convention years. The first East Central Region Convention was held in Detroit, Michigan in 1974. Area 54 has hosted the East Central Region Convention twice, once at the University of Akron in 1987 and again in Westlake, Ohio in 2008. Because the convention is attached to the State Convention, there is no strict rotation of the event to each delegate Area in Ohio. The next time Area 54 will host the convention is 2052.

The East Central Region Convention is governed by the seated delegate and past delegates from the fourteen delegate Areas. In Ohio, this is known as the State Advisory Committee. The seated delegate and past delegates are voting members of the State Advisory Committee, which meets at the East Central Region Conference of Delegates Past and Present and again at the East Central Region Convention. The State Advisory Committee guidelines are found in Section 2 of the Ohio State Convention Planning Guidelines.

The East Central Region Forum

Since 1975, the General Service Office has hosted regional and special forums throughout the US and Canada. Regional forums are weekend sharing and informational sessions designed to help the General Service Board, A.A. World Services, Inc., the Grapevine Corporate Board, the Grapevine Staff, and the General Service Office Staff stay in touch with A.A. members, trusted servants and newcomers to service throughout the A.A. service structure.

East Central Regional forums are held every two years and are rotated between the fourteen delegate Areas in the East Central Region. The first East Central Regional Forum was held in Detroit, Michigan in 1979. The only regional forum hosted by Area 54 took place in 1981 in Akron, Ohio. Area 54 will host its next regional forum in 2021.

The forum is a series of sharing sessions that provide an opportunity to share valuable experience, ask questions and spark new ideas. Since many GSO and Grapevine staff members are present, local members have an opportunity to meet the staff face to face. Additionally, several trustees of the General Service Board and AA World Service directors present reports on current issues.

The East Central Region Conference of Delegates Past and Present

The East Central Region Conference of Delegates Past and Present is an educational weekend used to prepare newly seated delegates in the East Central Region for their first General Service Conference. While some Area officers may attend the event, participation is strictly limited to delegates, past delegates, trustees, and past trustees residing in the East Central Region.

The first East Central Region Conference of Delegates Past and Present was held in Evanston, Illinois in 1974. Area 54 has hosted the East Central Region Conference of Delegates Past and Present twice, including Middleburg Heights in 1987 and Independence, Ohio in 2007. The next time Area 54 will host the conference is 2027.
Area 54 Districts

A district is a geographical unit that contains all the registered groups within its boundaries. The number of groups within the district varies widely in Area 54. The ability for the DCM to communicate with all groups within the district will often dictate the number of groups.

Linguistic districts are districts bounded by non-English languages. Their boundaries are independent of conventional district boundaries. In Area 54, there is one linguistic district for all Spanish-speaking meetings within Area 5 NE Ohio General Service.

Currently there are 65 geographical and one linguistic district in Area 54.

District Committee Member (DCM)

Groups within a district have the opportunity to hold district meetings, where they can share ideas and resources. Districts often elect a District Committee Member (DCM) as their link between GSRs and the Area delegate. The DCM is a vital member of the Area Committee, with awareness of the group conscience of groups within the district. The pamphlet “Your D.C.M.” available from GSO provides basic information on the duties, which are also explained in the AA Service Manual. Some recommendations for DCMs include:

The DCM and the District

- Visit all the meetings in your district and ensure they are registered and have a GSR.
- Hold regularly scheduled meetings of all GSRs in the district, or in conjunction with a neighboring district.
- Keep GSRs informed about General Service Conference activities.
- Keep groups informed about Conference-Approved books and pamphlets.
- Hold workshops on any service activity.
  - Traditions
  - Concepts
  - Home group
  - Robert’s Rules
- Assist GSRs in getting acquainted with the Traditions, Concepts and service material.
- Talk to new and existing groups about the responsibilities of General Service work.
- Visit new meetings in your district.
- Give the alternate DCM meaningful service work to perform as training to become DCM when you rotate.
  - Fill in holes where GSRs are ineffective or inactive.
  - Chairing the district meeting.
- Explain the importance of rotation at the group and district level.
- Invite Area officers to district meetings.
- Acquaint GSRs with Area and GSO guidelines.
- Encourage GSRs to get alternates and to attend the area assembly.
- Discuss the importance of self-support at all levels of service.
- Share information from the Final Conference Report with GSRs, discuss the advisory actions, and distribute copies to all to take back to groups.
The DCM and the Area Assembly

- Get GSRs acquainted with the *AA Service Manual* and *Box 4-5-9.*
- Make the Alternate DCM an active part of the district.
- Report to assembly about district happenings, problems, solutions.
- Attend all possible conferences and conventions to get ideas and important information.
- Discuss the importance of being active.
- Acquaint GSRs with area and GSO guidelines.
- Encourage GSRs to get alternates.
- Take notes at assembly for reiteration at your next district meeting.

The DCM and the Area Officers

- Get acquainted with the *AA Service Manual.* Remember, YOU are a Delegate in training.
- If an officer cannot serve h/h complete term, a special election may be held.
- Invite Area officers and/or past delegates to district meetings.
- Report to officers about district happenings, problems, solutions.
- Update and submit all group change and new group information sheets to Area Registrar.
- Invite the Delegate to give a report following the General Service Conference.

Vacancy of DCM

In the event a DCM vacates their position or “fades away,” the alternate DCM will assume the duties of DCM and GSRs in the district should begin the process of replacing the alternate DCM. If there is no alternate DCM, the GSRs in the district should begin the process of replacing the DCM by selecting candidates from active GSRs.

In an effort to avoid inactive districts, after clarifying that a DCM has indeed vacated the position, the Area delegate and/or Area Chair can appoint an interim DCM to serve until the GSRs within the district are successful in selecting candidates and electing a replacement DCM. The interim DCM is a full voting member of the Area Committee.

Redistricting

As group membership grows and the number of groups increases, it may become difficult for the DCM to communicate with all groups. A district could appoint or elect local committee members (LCM) as a means of splitting the district into sub-districts. However, under the current structure of Area 54 an LCM would not be a recognized member of the Area Committee and would not have a vote at the Area Assembly. Additionally, the LCM would not receive communication from GSO.

Metropolitan areas in Area 54 have created combined districts, or multi-districts, to allow neighboring districts to share resources and assist each other in their service efforts. Some of the multi-districts have elected District Committee Member Chairs (DCMC). Again, nothing in the structure of Area 54 allows a DCMC to be a member of the Area Committee or to have a vote at the Area Assembly. The majority of DCMC have retained their DCM position in order to continue as an Area Committee member.
The standard practice to address growing districts in Area 54 is redistricting. In Area 54, redistricting has typically required the following steps:

- DCM contacts GSRs within the district to discuss the need to split the district.
- GSRs agree that splitting the district is necessary and select potential DCM(s) for the proposed district(s).
- DCM identifies easily distinguishable district boundaries on a map, and lists of groups in proposed redrawn district(s).
- DCM presents the redistricting plans to the Area Committee.
- Upon approval of the Area Committee, the redistricting is placed on the agenda for an upcoming Area Assembly.
- The Area Assembly must ratify the redistricting in order to recognize the DCM(s) as a member of the Area Committee and to authorize modification of Area publications and the Web site to reflect new boundaries and maps.
