

Mini-Conference Planning Suggestions

The NE Ohio Mini-Conference is a conference held prior to the General Service Conference with the purpose of acting as the collective conscience of the groups on current issues before the General Service Conference. The Mini-conference allows Area Committee members and GSRs to experience the workings of the General Service Conference. The delegate is sent to the General Service Conference more informed and better prepared by the experience.

The purpose of this document is to capture the experience, strength and hope of past planning committees to aid future Mini-Conference planning committees in their task. It will assist in avoiding common pitfalls and the urge to 'reinvent the wheel,' should there be a breakdown in communication between committees. This document will serve as a repository of routine document templates, which have been developed over years of hosting the conference. It is our hope that future planning committees will update these documents on a yearly basis to keep the information current and representative of the experience.

This is a living document – use it, change it, edit it as necessary. Keep the old parts too, though and date and sign additions so that future trusted servants may know who to ask for amplification and help.

Mini-Conference Governance

- The Mini-Conference is an annual function hosted by the Area Committee of Area 54 NE Ohio General Service
- Based on a two-year cycle:
 - 1st year - co-chaired by the immediate past delegate and seated delegate (in the event of death, another past delegate has replaced the immediate past delegate)
 - 2nd year - co-chaired by seated delegate and alternate delegate (or Area chair)
 - Treasurer assigned by the co-chairs in the 1st year. The treasurer will:
 - Should not be assigned to Area treasurer to prevent co-mingling of funds
 - Maintains an account of receipts and pays expenses incurred
 - Pays all bills in a timely fashion to prevent late charges and the creation of ill will with our business associates
 - Receives registrations and promptly gets registrant information to the registrar
 - Assists co-chairs in preparation of preliminary budget
 - Produce a final income and expense report to be delivered to the Area Committee within 3 months of the conclusion of the Mini-Conference
 - Registrar assigned by the co-chairs in the 1st year. The registrar will:
 - Maintains a list of registered participants
 - Prepares nametags
 - Manages on-site registration table from 4:00 PM Friday until the Saturday banquet; some guest only attend the Mini-Conference for the banquet and arrangements need to be made to provide registration material at the start of the Saturday banquet
- The committee co-chairs exercise the right of decision often in the planning process because many decisions require immediate action. However, reliance on the Mini-Conference committee composed of Area Committee members and interested GSRs for

major decisions, such as changes to the program schedule, has proven most effective in our democratic society

Mini-Conference Timing

- The Mini-Conference is typically the first weekend in April
- Discuss scheduled date with other Ohio Area delegates ASAP to avoid conflicts
- Should not interfere with Easter because this will likely reduce participation. Future Easter dates, including potential conflicts marked *
 - 2010 - 4/4* 2013 - 3/31* 2016 - 3/27* 2019 – 4/21 2022 – 4/17
 - 2011 - 4/24 2014 - 4/20 2017 - 4/16 2020 – 4/12
 - 2012 - 4/8* 2015 - 4/5* 2018 - 4/1* 2021 – 4/4*

Mini-Conference Location

- Site location is selected and a contract signed at least one year before the event; this may require starting the search up to two years in advance; delaying this process may result in expensive room rates and inferior facilities
- Site location is used for two consecutive years for consistency in planning
- Site location is rotated around Area 54 in order to highlight General Service to different parts of the Area (NOTE: this may be limited by minimum facility requirements)

- The local district(s) should be encouraged to form a hospitality committee
- Negotiate a contract that includes some of the following:
 - Use room nights to pay for meeting room rental and comp rooms for guests
 - Adequate breakout rooms for conference committee discussion (8 to 10 rooms); the ballroom could house a couple discussions if adequate sound reduction is available, such as a partition
 - Contract should provide for two or three pre-planning meetings
 - Facilities for 250 participants; 125 – 150 room nights (or 75 per night); 150 people banquet that expands to 250 for the meeting afterwards
 - Hospitality room(s) with the ability to bring in our own food and beverages
 - The hotel restaurant should have a reasonably-priced breakfast and lunch buffet
 - Reasonable room rates
 - Minimal or no down payment
 - Sufficient sound equipment to conduct meetings and mock conference
 - This facility will also house the Ohio State Convention every four-years when Area 54 hosts the event; in these years, the facilities must be able to expand to sufficient room nights and house more participants

Mini-Conference Guests

- There are two invited guests to the Mini-Conference, including:

- A GSO or AA Grapevine staff member; it is best to communicate with the GSO staff coordinator to schedule this staff member
- The seated East Central Region trustee; alternately, the U.S. trustee-at-large or a non-trustee director when the ECR trustee is unavailable
- Expenses of guests must be included in the budget, including travel, housing and meals
- Scheduling 6 months or more in advance proves most beneficial for reducing travel expenses from New York City and reducing schedule conflicts for the ECR trustee who travels frequently in the spring. The GSO staff coordinator approves the travel of staff members to delegate Area events
- Recent GSO and AA Grapevine staff guests have included:

| | |
|------------------------------------|--------------------------------|
| 2016 Clay Rittenhouse (GSO) | 2007 Adrienne Brown (GSO) |
| 2015 Clement Cann (GSO) | 2006 Julio Espallat (GSO) |

| 2011 Jim Malone (GSO) | 2002 Rick Walker (GSO) |
| 2010 Eva Sanchez (GSO) | 2001 Warren Stafford (GSO) |
| 2009 Mary Dargon (GSO) | 2000 Bill Archer (GSO) |
| 2008 Doug Richardson (GSO) | |
- Other Ohio delegate Areas – in the recent past, the Area has supported other Ohio delegate Area mini-conferences by sending the delegate and one or more officers, as well as encouraging other Area Committee members attendance at these events. This cooperation has improved the working relationship between delegate Areas while maintaining autonomy in differing practices that has been educational and beneficial to preparing the delegate and other officers to serve Area 54

Mini-Conference Flyer

- The flyer has traditionally been printed on goldenrod-colored paper
- Prepare a flyer, or preliminary flyer, and distribute it at Gratitude Sunday and the November Ohio State planning meeting in Columbus
- Mail the flyer to groups in the January mailing, along with the theme questions
 - Theme questions can be found in the previous Conference Final Report in the *Conference Advisory Actions* for the Conference Agenda Committee
- Mail the flyer to groups in late-February or early March, along with the agenda items
- Post the flyer on the Area Web site
- Distribute the flyer to other Ohio delegate Areas by e-mail

Mini-Conference Planning Meetings

- Typically two or three planning meetings held at the event location on the 4th weekend of January and February; a third date is reserved in March if necessary
- Schedule inclement weather dates
- Prepare planning meeting agendas
 - January – adopt a budget, review preliminary schedule, assign chairs, and fill the duty roster, including:

- Alcathon chair(s)
- Bell ringer(s)
- Floor manager
- Greeting committee
- Hospitality committee
- Skit director
- Video chair(s)
- February – review schedule changes and hotel walkthrough
- March – if necessary; can alternately be used to prepare Mini-Conference folders

Mini-Conference Committee Participant Folders

- Should be prepared in advance, possibly as an alternate to the 3rd planning meeting
- Use a two-pocket color-coded folder, i.e. one color for each committee
- Label folders with the committee name and location of breakout room
- Prepare an adequate supply for each committee (15 – 20 per committee) for 8 to 10 committees
- Conference committee contents include:
 - Guidelines for the specific committee
 - Agenda for the specific committee
 - Background material including literature, specific to the agenda items
- All folders should also include:
 - Mini-Conference Program (schedule of events)
 - List of agenda items for all committees
 - Conference Theme Questions
 - Summary of Conference Procedures (makeup of General Service Conference reverse)
 - Area 54 annual schedules
 - Area 54 contribution envelope
 - GSO contribution envelope (FR-2)
 - Self-support group folio (FV-19)
 - Your General Service Office (F-6)
- Review the contents of the folder with participants at the start of the event

Mini-Conference Taping

- Well in advance of the event, the co-chairs should secure an agreement with a professional audio taping company to provide taping services for all meetings held during the Mini-Conference weekend
- The taping company is permitted to sell recordings to participants for profit
- The taping company is permitted to sell any of its recordings to participants during designated sales times
- The conference does not accept royalties from the taping company
- The taping committee should clearly understand the Traditions of anonymity at the level of press, radio, film and the Internet

Mini-Conference Budget

- The Mini-Conference operates on a budget separate from the Area budget. In 2004, the Area Assembly established a budget limited to cash on hand, or \$1,500. Any excess after all bills are paid is sent to the area treasurer.
- The budget should offset expenses against income generated by registration fees. The banquet tickets are typically sold at cost. Usual expenses include:
 - Cost of travel, room, meals and a gift for GSO staff and ECR trustee
 - Costs of flyers and programs
 - Cost of registration materials
 - Cost of preparing folders, including printing background material, supporting literature and printing participant material
 - Seed money for hospitality committee, which is currently \$300

Mini-Conference Hospitality Committee

- The local district(s) should be encouraged to form a hospitality committee, however, this does not always occur
- The hospitality committee will provide coffee, snacks and other beverages beginning at 4:00 PM on Friday until 8:30 AM Sunday. Hospitality is not open 24 hours, but the committee should prepare for late closing on Friday and Saturday evening.
- The hospitality room is closed during sessions, which has proven to be a good time to clean and replenish supplies
- The hospitality room is intended to reduce excess costs of food and beverage typical at hotel to save the committee and participants money
- The hospitality committee will be called upon to serve an ice cream bar Friday and Saturday evening at the conclusion of evening sessions

THE MINI-CONFERENCE

– A SPIRITED EXPERIENCE

Every year in April, ninety-three members of Alcoholics Anonymous from all over the United States and Canada meet in New York City for a weeklong General Service Conference. These people are called *delegates*. They bring to the Conference the opinions and feelings of the members of A.A. who elected them. They share these views with all the other delegates attending. Collectively, with the trustees, directors and staff, these 134 individuals come to a meeting of the minds on the issues brought before the Conference this year. Their foremost thought remains what is best for A.A. as a whole.

Every member of our Fellowship is potentially a delegate if he or she is willing to serve in this manner, yet not everyone will be chosen to do so. It is for this reason that the mini-Conference was devised; so that all members of our Fellowship get an opportunity to see how the Conference takes place. Everyone may participate in discussions of the actual agenda items that will come before the Conference this year. This also gives the delegate from our area last minute information of our collective area conscience just prior to his/her departure for New York.

The first known mini-conference was staged in Washington, D.C. in 1974. Then, a recent past delegate named John Waterfield had the vision and inspiration to make this a reality. He became a regional trustee to the General Service Board. An account of this event was reported to the 1975 General Service Conference and the delegate from our area, Bob Bacon, felt encouraged to attempt to do the same.

The first Northeast Ohio Mini-Conference was held in the fall of 1975 at the Cleveland Hotel, now known as the Renaissance Cleveland Hotel. It was not well attended, but everyone who did attend was impressed and pleased with what they saw and heard, and expressed the hope that these would continue. Our next delegate, Fred Boyd, liked the idea. He felt the ideal time to hold the mini-Conference would be in March just preceding the Conference in New York City. Thus, Area 54's next mini-

Conference was held in March 1976. This has been continued every year since then, growing in popularity and attendance. The Mini-Conference is now self-supporting and is viewed as a valuable tool in service work.

This idea has spread across Ohio. Area 55 held its first mini-conference in 1982 and Area 56 began hosting its mini-conference the following year. In 1999, Area 53 held its first weekend gathering following the time-proven format of Ohio's three delegate areas. By also participating in each others' mini-conferences, all of Ohio's delegates are better informed on the issues facing our Fellowship. It has been said that the easier, softer way of maintaining sobriety ***IS*** through service. We welcome you all in our 35th year and hope you will understand more of the General Service structure and experience the excitement of our Third Legacy of Service.

Revised 12/2009

Why Do We Need a Conference?

The late Bernard B. Smith, nonalcoholic, then chairperson of the board of trustees, and one of the architects of the Conference structure, answered that question superbly in his opening talk at the 1954 meeting:

“We may not need a General Service Conference to ensure our own recovery. We do need it to ensure the recovery of the alcoholic who still stumbles in the darkness one short block from this room. We need it to ensure the recovery of a child being born tonight, destined for alcoholism. We need it to provide, in keeping with our Twelfth Step, a permanent haven for all alcoholics who, in the ages ahead, can find in A.A. that rebirth that brought us back to life.

“We need it because we, more than all others, are conscious of the devastating effect of the human urge for power and prestige which we must ensure can never invade A.A. We need it to ensure A.A. against government, while insulating it against anarchy; we need it to protect A.A. against disintegration while preventing over-integration. We need it so that Alcoholics Anonymous, and Alcoholics Anonymous alone, is the ultimate repository of its Twelve Steps, its Twelve Traditions, and all of its services.

“We need it to ensure that changes within A.A. come only as a response to the needs and the wants of all A.A., and not of any few. We need it to ensure that the doors of the halls of A.A. never have locks on them, so that all people for all time who have an alcoholic problem may enter these halls unasked and feel welcome. We need it to ensure that Alcoholics Anonymous never asks of anyone who needs us what his or her race is, what his or her creed is, what his or her social position is.”

WHY SHOULD I ATTEND THE NORTHEAST OHIO MINI-CONFERENCE?

That's an interesting question and I hope that I can provide an adequately engaging answer. Below I will offer some good reasons why everyone, whether you are involved in General Service work or not, is encouraged and welcome to attend the 33rd annual Northeast Ohio Mini-Conference.

Exercise your voice and vote in A.A.-as-a-whole. Don't let others make decisions for you! Express your opinion on the items of business that will be discussed and voted on by your elected delegate at the General Service Conference in New York City at the end of April. The mini-conference is designed to provide a forum for understanding the issues concerning the future of A.A. that will be decided, on your behalf, whether you choose to participate in General Service or not.

Learn about service beyond the church basement steps. Every service job in A.A. is important. Responsibilities range from the Twelfth Step, to a phone call, a cup of coffee, a ride, or the General Service Office for national and international action. The sum total of all these services is our Third Legacy of Service. An A.A. service is anything whatever that helps us to reach a fellow sufferer, whether sponsorship of a new member or sponsorship of A.A. in a new country that is just getting started. Services include meeting places, hospital cooperation, and intergroup offices; they mean pamphlets, books, and good public relations of almost every description. They call for committees, delegates, trustees, and conferences.

Why can't we just 'keep it simple'? These services, whether performed by individuals, groups, areas, or A.A. as a whole, are utterly vital to our existence and growth. Nor can we make A.A. simpler by abolishing such services. We would only be asking for complication and confusion. Concerning any given service, we therefore pose but one question: "Is this service really needed?" If it is, then maintain it we must, or fail in our mission to those who need and seek A.A. The most vital, yet least understood, group of services that A.A. has is those that enable us to function as a whole, namely: the General Service Office, A.A. World Services, Inc., The A.A. Grapevine, Inc., and our board of trustees, known legally as the General Service Board of Alcoholics Anonymous. Our worldwide unity and much of our growth since early times are directly traceable to this cluster of life-giving activities.

Meet your Regional Trustee and a staff member from your General Service Office in New York City. Oh, and your delegate will be there, too. He'd like to meet you and hear your views on the pressing agenda items of the day. He will carry your ideas and the conscience of the whole area to the General Service Conference.

Meet other A.A.'s who are interested in service beyond the group level. Having trouble convincing some members of your home group that all that alphabet soup stuff is more than just 'AA politics'? Other General Service Representatives (GSR) and District Committee Members (DCM) have already faced that difficulty and have great ideas to share on how to build interest at your home group. Come and learn!

See how your generous contributions are being used to help carry the message. New literature has been released in recent months, including a revised edition of the Spanish Big Book. New public service announcements and DVD versions of your favorite conference approved videos have been produced this year. These and more will be shown or will be available for sale at the mini-conference.

So, hopefully, one or more of these has sparked an interest for those of you who aren't sure about attending the 33rd Northeast Ohio Mini-Conference on the weekend of April 11-13, 2008 in Westlake, Ohio. If you are a GSR for your group, or even if your group has no representative to General Service, please ask your group for a little financial assistance. Maybe they would be willing to pay for one of your nights at the hotel. The new lowered registration fee is only \$16 this year. What a bargain! Come and join us on the 'broad highway' of service to AA-as-a-whole, and find out what you've been missing.

In Love and Service,
Jeff Your, Panel 57 Delegate
Northeast Ohio – Area 54

What is the purpose of the Area 54 Mini-Conference?

This Mini-Conference was developed to give our Delegate the informed conscience of the groups in Area 54— Northeast Ohio, on some of the agenda items that will be addressed at the General Service Conference. Due to time constraints, it is not possible to address all of the agenda of the General Service Conference. The selected agenda is mailed to the registered General Service Representatives (GSRs) of the groups in advance. The group can discuss the issues and send their group’s conscience to the Mini-Conference via their GSR. At the Mini-Conference the issues are discussed with GSRs from many groups throughout Area 54. Using the committee system and voting procedures described in the AA Service Manual, a consensus is reached. This consensus will be taken to the General Service Conference via our seated Delegate.

The Mini-Conference will also feature displays and information provided by the Area 54 Standing Committees and a variety of ways for a GSR to share with others committed to their service to others. GSRs can meet the East Central Regional Trustee, a staff member from the General Service Office and the Area Committee. There are also sharing sessions for GSRs and an Ask-it-basket hosted by Past Delegates, the Regional Trustee and GSO Staff member.

Why do I have to pay?

While there are no dues or fees for membership in AA, it is the practice of Area 54 General Service that each individual event be self-supporting. This conference requires months of planning, preparation and money to present. Our expenses include printing of the background material and purchase of literature relevant to the agenda that will be discussed, printing of flyers and schedules, mailing costs and registration supplies. We do not pay our speakers, but we do provide for their expenses to attend the conference. At times we have snack or beverage expenses. The hospitality rooms are self-supporting of themselves. The Saturday Night Speaker is an open A.A. Meeting and is the only function that will not require attendees be registered.

All members of A.A. are encouraged to attend!

a renewed sense of commitment to the Fellowship.

33rd Northeast Ohio Mini-Conference

April 11-13, 2008

MODERATORS:

Please Read Aloud at Start of Committee Deliberations:

“Our purpose in this committee session is to share our experience, strength and hope on the topic for the good of AA as a whole and to cover all the items on our agenda.”

“The report from each Committee section will be combined and summarized, and will appear in the April-May-June issue of the Northeast Ohio Recorder. “

“In order to provide an opportunity to thoroughly discuss each topic, we suggest that participants adhere to the two minute rule. Each person should confine his or her sharing to two minutes on each topic. To cover all the topics, some moderators choose to divide the time equally for each topic and come back for further discussion on topic if time allows. Additional sharing on a specific topic should come after all topics have been covered.”

“If we need to take a break, shall we agree to reconvene as quickly as possible?”

REPORTERS:

Please record only a brief sense of the committee deliberations on each point, using the provided worksheet. Write clearly or print.

Immediately following the Committee Session or Workshop, please hand in your report to _____, who will be compiling reports in the Business Center, off the lobby.

How the GENERAL SERVICE CONFERENCE OPERATES

**The purpose of
Conference debate
is to reach a group conscience—
there are no winners or losers**

Summary of Conference Procedures

Generally speaking, the General Service Conference follows *Robert's Rules of Order*, and proceeds on as informal a basis as possible consistent with the rights of all concerned. It is important to remember that the purpose of rules of order is to make it easier for the Conference to conduct its business; rules exist to allow the Conference to do what it needs to do to carry out the will of the Fellowship by reaching an informed group conscience. Over the years the Conference has adopted some exceptions to *Robert's Rules*, which help it to proceed more closely in accord with the spirit of A.A. Tradition.

Conference Quorum

A Conference quorum — two-thirds of all registered members — is required to conduct Conference business.

Committee System

To the extent possible, important matters to come before the Conference will be handled via the "Committee system." This assures that a large number of questions can be dealt with during Conference week. Each Committee considers carefully the items before it and presents its recommendations to the Conference as a whole for acceptance or rejection. Recommendations of Conference committees are automatically motions that have been made and seconded. Members are urged to resist the temptation to edit recommendations on the floor.

Substantial Unanimity

All matters of policy (Conference Advisory Actions) require substantial unanimity, that is, a *two-thirds majority*. Any actions, including amendments, that affect an Advisory Action, or motions that might result in such an action, also require a *two-thirds majority*. Because the number of members present in the hall during the week of Conference varies from time to time, the phrase "two-thirds majority" is taken to mean two-thirds vote of the Conference members voting, as long as the total vote constitutes a Conference quorum.

Minority Opinion

After each vote on a matter of policy, the side which did not prevail will always be given an opportunity to speak to their position. If the motion passes with two-thirds vote, the minority may speak. If the motion receives a majority vote, but fails to pass for lack of a two-thirds vote, the majority may speak.

Remember that saving "minority opinions" for after the vote, when there is no rebuttal, is a time-waster, for it can force the Conference body to reconsider a question that might well have been decided the first time around if it had been thoroughly examined from all sides.

General Rules of Debate and Voting

(Agreed to at the beginning of each Conference)

- People who wish to speak line up at the microphones and are called on in order.
- Each person may speak for two (2) minutes.
- No one may speak for a second time on a topic until all who wish to have spoken for the first time.
- *Full* discussion of a recommendation should take place *before* each vote.
- Everyone is entitled to, and should, express his or her opinion. However, if your perspective has already been

stated by someone else, it is not necessary to go to the mike and say it again.

- Premature actions (e.g., amending motions early in the discussion or hastily calling the question) can divert attention from the subject at hand, thus confusing and/or delaying Conference business.
- Voting is by show of hands.

Tabling a Motion

Tabling a motion (postponing discussion to a later time during the same Conference):

- Must be made without comment.
- Requires a second.
- Is not debatable.
- Needs only a *simple majority* to pass.

Calling the Question

Calling the question brings debate to a halt while Conference members decide whether to proceed directly to a vote (the question) or go on with the debate. A motion to call the question:

- Must be made in order at the microphone.
- Must be made without comment.
- Requires a second.
- Is not debatable.
- Requires a *two-thirds vote*.

Reconsideration

A motion to reconsider a vote may be made only by a member who voted with the prevailing side, but it can be seconded by anyone.

- Only a *simple majority* is required.
- If the majority votes to reconsider, *full debate*, pro and con, is resumed. (Conference members are urged to limit discussion to *new* considerations of the question under debate.)
- No action may be reconsidered twice.

Floor Actions

Floor actions may be introduced at any time during the Conference except at the Sharing Sessions, and:

- Must be made without comment.
- Must be submitted in writing by the maker to the Conference secretary.
- Will come up for deliberation after all Committee reports have been heard.
- Require a *two-thirds majority*.

All floor actions will be heard unless there is a motion that the Conference decline to consider a floor action. A motion to decline to hear a floor action:

- Must be made without comment.
- Is not debatable.
- Requires a *two-thirds majority*.

Area 54 NOE Ohio Mini-Conference Moderators Guide

MODERATORS:

Please Read Aloud at Start of Committee Deliberations:

“Our purpose in this committee session is to share our experience, strength and hope on the topic for the good of AA as a whole and to cover all the items on our agenda.”

“The report from each Committee section will be combined and summarized, and will appear in the April-May-June issue of the Northeast Ohio Recorder. “

“In order to provide an opportunity to thoroughly discuss each topic, we suggest that participants adhere to the two minute rule. Each person should confine his or her sharing to two minutes on each topic. To cover all the topics, some moderators choose to divide the time equally for each topic and come back for further discussion on topic if time allows. Additional sharing on a specific topic should come after all topics have been covered.”

“If we need to take a break, shall we agree to reconvene as quickly as possible?”

REPORTERS:

Please record only a brief sense of the committee deliberations on each point, using the provided worksheet. Write clearly or print.

Immediately following the Committee Session or Workshop, please hand in your report to _____, who will be compiling reports in the Business Center, off the lobby.

Anonymity Statement

TO BE READ AT THE START OF EACH SESSION:

“There may be some here who are not familiar with our Tradition of personal anonymity at the public level:

“Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, [TV], and films.”

“Thus we respectfully ask that no AA speaker – or, indeed, any AA member – be identified by full name in published or broadcast reports of our meetings, including reports on new media technologies such as the Internet, social networking sites and Twitter.

“The assurance of anonymity is essential in our effort to help other problem drinkers who may wish to share our recovery program with us. And our Tradition of anonymity reminds us that A.A. principles come before personalities.”
