### A Word From Our Delegate

#### Greetings

Thank you for electing me to be your Panel 73 Area 54 Delegate. I am grateful and will do my best for our area. Please check your trifold for all of our events happening in 2023.

We will propose our annual budget at the first assembly on January 15th. We also have a mini-conference planning meeting on January 22nd at the Double Tree in Westlake. There will be plenty of service opportunities. We could use a district that would be willing to host our hospitality room, folk's to man the registration table and receive registrations, greeters and bell ringers. Our committees will have displays and we will have literature and grapevine materials at the mini-conference.

We will also host the East Central Regional Forum on November 17th-19th at the Double Tree in Independence. Registration will be free. The general service office will bring Bob W. our general manager, Paul Konigstein our chief financial officer, GSO staff, grapevine staff, class A and B trustees and our own east central regional trustee Cathy C. We will report more in upcoming Recorders.

Yours in service

#### ROTATING DELEGATE'S REPORT

Thank you for a busy and sometimes hectic two years. I have been able to visit many parts of our Area. In October, I traveled over 1,000 miles to attend groups chosen for the Membership Survey to be taken in person. It was fun to meet new folks. I was able to renew friendships too. In addition, I was able to represent Area 54 at the Buffalo Fall Convention. I was the coordinator on a terrific Panel on Home Groups. I am proud to say Akron represented Northeast Ohio too with a fine panel and speaker.

Looking back over the last year it was awesome to go to New York in person for the 72nd General Service Conference. Because I had met several of the delegates online it was wonderful to meet them in person. The delegates from the five states here in East Central Region had worked together throughout the year. It was good to be in the same room with them in person. Our Finance Committee had the opportunity via Zoom meetings to meet throughout the year. We were able

## FROM THE OUTGOING EDITOR

### ROTATION

*[Reprinted from the Jan/Feb/March 2019 issue of the Recorder]*

There was an article in the June 1996 issue of the *AA Grapevine* titled "The Spirit of Rotation." At the beginning of that article the author, Don P. of Aurora, Colorado, asks the following question: "How then can we continue to benefit from the experience of those who have rotated?" The article concludes with the answer to that question, "The best way I can think of to benefit from their experience is to be certain that they are a part of *mine*." (<https://www.aagrapevine.org/magazine/1996/jun/spirit-rotation>, accessed 11/17/2020). Don's point is simple. When I rotate *from* a position it is my responsibility to share the experience, strength and hope gained in that position with the AA rotating in. But it is a two-way street. It is also my responsibility as one rotating into a position to reach out to the AA rotating out. (The article is important to me for another reason. It was in June 1996 that I was first introduced to AA.)

This is the time of year in Area 54 when we experience the pains and gains from what we call rotation. It is not just an action, it also embodies the very spirit that is the foundation of AA.: One Alcoholic helping another. We need to remember that it is not just a game of "musical chairs." In that game someone gets left out every time, and there are rarely any "new players." In our "game" it should be just the opposite - always room for one more. Unfortunately, some have "politicized" the process, resulting in winners and losers. We see it in our jockeying for position, as well as in our lack of willingness to serve. We even see it in the language that we use. I have heard AAs say that they were "running for office." And I have also heard others say "I ain't volunteering for nothing." Perhaps it is time to pause and review where this whole idea of AA rotation came from in the first place.

It has been said that the idea of rotation actually came from right here in Area 54. In the early 1940s Cleveland experienced exponential growth in AA. To maintain some semblance of unity among those groups a Central Committee was formed by one of the early Cleveland AAs, Abby G., who set the committee up with time limits on leadership. I have heard that Bill W. credits Abby with inventing AA's traditional Spirit of Rotation. (<https://www.aacle.org/what-is-aa/history-of-a-a/>. Accessed 11/17/2020)

The Spirit of Rotation is at the foundation of our Second Tradition, which provides, in short form, "For our group purpose there is but one ultimate authority - a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern."

Speaking of a "loving God," I know at least one AA who calls the "hat" "the God Box." When we cannot reach "substantial unanimity" in electing a servant to a position, we "go to the hat." I suppose it is similar to letting go, and letting God. But perhaps there is another consideration before a candidate forces a "hat." That consideration is ego.

I remember once standing for a position, with one other person also standing. By the third ballot it was clear that we had a divided house. The tally was very close, and with each ballot the tally remained about the same (pretty typical in a two-person election). Rather than putting the entire Assembly through the grueling process of voting again, and then deciding whether to vote one more time, before "going to the hat," it occurred to me, "Just sit down!" I did, thereby "conceding" the election. It opened so many more opportunities to serve that now I am sure the voice saying "Just sit down" must have been the voice of God.

The whole point of the Spirit of Rotation is to protect us from our own ego. Sometimes when we "Just sit down," we are doing the same thing Bill W. did when he called Charlie Towns back and said essentially, "Thanks, but no thanks." (See *Twelve Steps and Twelve Traditions*, pgs.136-138)

In 1955 AA "Came of Age," and Bill W. became an "elder statesman." Basically, he "just sat down." Perhaps we too might come of age. Certainly, for those who stood but were not elected there will be many, many opportunities to continue to serve. Remember, "The harvest is plentiful but the workers are few."

## ROTATING DELEGATE'S REPORT

to see some of the results of the work-in-process. The Finance Committee was charged with reviewing all the service pieces and literature pieces written about finance and contributions, etc. All the finance literature needed to be saying the same thing. One example was that the contributions are sent to General Service Office (GSO) but we are to write the check to the General Service Board (GSB). This is very confusing.

I discovered the Conference was very spiritual. At the end of our committee meeting on Tuesday, I felt the unity on behalf of AA. The desire to take care of AA as a whole. As I have read all the Committee Considerations, there was an effort by each committee to explain the reasoning in taking no action. It appears to me that the 72nd General Service Conference wanted to be and was "Unified in Love and Service."

The Panel 71 officers and chairs are great leaders. They have been challenged and have charged ahead as a unit. Everyone has been dedicated to the job. We have had a great opportunity to learn, and work on behalf of Northeast Ohio AA Groups. I wish to thank each of you for going the extra mile and for your effort and dedication these past two years. You have represented AA and Northeast Ohio well.

Looking forward I will be the Immediate Past Delegate and the Co Chair of the 48th Mini-Conference, March 24 – 26, 2023. The Theme is "AA's Three Legacies – Our Common Solution".

Please mark your calendars and SAVE the 4th Sundays in January and February. The Mini-Conference Planning Meetings are at 2PM at the Doubletree Hilton Westlake. The purpose of the Mini-Conference is to inform our delegate on the conscience of Northeast Ohio. Every Member of AA is Welcome to Attend and to be ACTIVE.

Please attend these planning sessions to make our conference great. You can sign up to be greeters or to share about what it is like to be a GSR or a DCM or a Standing Committee Chair. We have so

many positions to fill. Committee Chairs remember to make and bring your display. Hospitality Room will need a committee too.

Have you wondered how do we get our theme for the General Service Conferences. The Agenda Committee reviews all the suggestions for the theme and votes on it.

On page 77 in the 2022 Final Report you will find the presentation theme and topics for 2023 73rd General Service Conference. They are:

Presentation Theme: "General Service - Our Mighty Purpose and Rhythm"

Presentation Topics:

"Our Common Perils and Common Solution"

"Using A.A.'s Literature in Carrying the Message"

"Fostering a Thriving Three Legacy Culture"

Workshop Topic for the 2023 GSC will be "Practicing Our Twelve Traditions Across All Group Settings"

Consider discussing these topics at your home group. or sponsor a workshop in your district.

I thank you for your love and support and for your love for AA.

## AREA CHAIR / ROTATING RECORDING SECRETARY REPORT

The Magic of Alcoholics Anonymous Happens Through Action.

We hear in AA that gratitude is an action. This is true, and so is love, service, showing up and keeping the hand out and doors open. When we take these actions, there is a magic that happens between one drunk helping another. I attended Gratitude Sunday in Area 54 and both speakers shared how being active in

service has not only helped them stay sober, but also participate in helping others which in turn creates this beautiful magic. One of our founders said that "Service is love with legs." This also requires action. If we take one action of love, one action to be in service or one action to show up for Alcoholics Anonymous, we are part of the evidence that is a light for those who come after us. This is where the magic happens. We are responsible to not only to keep the hand out, but to share the magic of AA. The next meeting you attend, look next to you and take one action to be an example of love and service to the person next to you. You have now invited another person to experience the Sunlight of the Spirit. That is MAGIC!

## ROTATING TREASURER'S REPORT

My time as your treasurer is nearing the end. What an exciting two years. With Covid and shut downs, Area 54 continued with zoom, and with some in person assemblies (hybrid meetings), Area 54 fellowship kept the doors open. We end this year with a treasury surplus proving once again AA is alive and well for the alcoholics in the cradle of our AA fellowship.

We have a new website, (mobile friendly) a new web master, and we now accept Square donations. These innovations would not have been possible without trusted servants stepping up and lending the hand of help to Area 54. I know none of this would have happened without the leadership and communication between committee members and Panel 71.

I move on in my service journey never forgetting the groups who support Area 54, from all over our area. From donations of personal checks, group checking accounts as well as multi-district, inter-groups, individual and square payments, I want to thank all of you for your support of Alcoholics Anonymous.

Finally, I want to thank you and the fellowship for the trust you showed in choosing me as your treasurer.

Thank you, Area 54,

## ROTATING AREA MAILING SECRETARY REPORT

AREA 54 Trusted Servants,

It has been a true honor to have been a trusted servant and to have served on many panels back-to-back (4 to be exact). I have seen a lot and learned a lot. I have gained a lot of knowledge. The knowledge I have gained I have taken into my professional life. Some of what I have learned is all decisions, no matter if we understand them now or not. They are for the good of all concerned. Its not to be taken personally although some decisions are uncomfortable and hurt. When you see wrong, speak up no matter what no matter who. I wish I had done this more often. I am optimistic of the future. I look forward in continuing to serve Area 54 in any capacity the new panel will have me.

I look forward to being a support for the incoming mailing secretary until she gains her footing in the position. The new year always brings new challenges and periods of transition. My advice to those new to the Area panel is to ask questions of those who were before you, and maintain your spiritual backbone and ask ask ask questions. Do not just accept something as so because someone says so, ask why no matter who they are. Utilize your service sponsor. Make this service opportunity yours. But of all else please have fun! If you're not having fun why do it?

Sincerely,

***Tina C. - Rotating Area Mailing Secretary

7. When will registration and hotel information be available?

General registration and housing information will be available on the International Convention webpage in early 2024. Actual registration site links, forms, and hotel booking links will be communicated to the Fellowship in August/September 2024.

8. If travel to Canada is difficult for some U.S. members, why are we holding an International Convention in Vancouver?

The Fellowship of the United States and Canada makes up the General Service Structure of Alcoholics Anonymous in North America, and functions as one entity in spirit and in service to the Fellowship. As this event rotates through the regions of A.A., there will be times when it takes place in the U.S., and other times when it is held in Canada.

Laws and other circumstances may impede some members from traveling from one country to the other. For instance, some Canadians could not attend the 2000 International Convention in Minneapolis because of the difference in value of the Canadian dollar and U.S. dollar. Rotation of International Conventions provides accessibility for all members. The Vancouver Visitors and Convention Bureau has assured A.A. that Canada will do whatever is possible to welcome and cooperate with members for the 2025 International Convention in Vancouver.

## RECOVERY, UNITY AND SERVICE

These are the Three Legacies of our A.A. experience. Our leaders are but trusted servants, they do not govern. God, expressed through our group conscience, is our sole authority. World Service is the heart of our Third Legacy. Our meetings are informative and educational. They are held so that the Committee Members, GSRs and all interested members may be better equipped to carry the message of World Service back to their home groups and individual members, thus giving a better understanding to our purpose, our hopes, and our work.
